Reminders with a new dimension!

2-Sided Labels

This unique label is printed on both sides so your information is always visible, whether you're outside the vehicle or sitting in the driver's seat!

These white labels adhere to the glass with a light adhesive that won't damage windshields.

Promotion Outside!

Reminder Inside!

1840 Regular (2-1/4" x 1-1/2")

1840-5 Large (2-5/8" x 1-3/4")

Enhance your brand with our high-quality stock or custom labels!

Essential for a professional look and necessary information, these labels offer the perfect solution for all your branding needs.

- **Premium Selection:** Choose from vibrant 2-sided designs, small or large formats, and sleek static cling or light adhesive materials.
- **Fully Compatible:** Every option is engineered to work seamlessly with your ProMinder System—no adjustments needed!
- **Brand Your Way:** Select from our high-impact stock designs for immediate use or go for a Custom Sticker to keep your logo and contact info front-and-center.
- **Professional Finish:** Our light adhesive and static cling options ensure a secure hold with zero residue, keeping your customers' vehicles looking pristine.
