TEMPORARY SUBSTITUTE VEHICLE AGREEMENT

Subject to the terms and conditions contained in this agreement, the owner of the vehicle ("dealer") grants the use of the temporary substitute vehicle ("vehicle") that is described in this agreement to the service customer ("customer").

1. Dealer and customer expressly agree that for the terms of this agreement the customer is not the agent, servant, or employee of dealer in any manner whatsoever.
2. Customer acknowledges that the vehicle is the rightful property of dealer, although registered title may be in some third party name, and that the customer has received the vehicle in good and safe mechanical condition. The customer agrees to return the vehicle to dealer at the location from which it was obtained, in the same condition as the customer received it, ordinary wear and tear accepted, on or before the return date stated on the front of this agreement, or sooner upon demand of dealer.
3. Customer agrees that he/she will not operate the vehicle outside this state and such other states as may be specifically named nor beyond the mileage limitation as shown on the face of this form without the written consent of dealer.
4. Customer expressly agrees to pay dealer on demand for use of vehicle: (a) a mileage charge computed at the rate specified for the mileage on the vehicle; (b) time and special rate adjustment charges at the rates specified; (c) the cost of return of vehicle to the location where obtained if the vehicle is left at any other location without written permission from dealer; (d) state and local taxes, if any, payable on items (a), (b), and (c); (e) a sum equal to the fair market value of all tires, accessories and other equipment lost or stolen from the vehicle; (f) the amount of any fines, court costs and penalties for parking, traffic or other violations assessed against the vehicle, customer, or dealer during the term of this agreement; (h) a sum equal to the cost of all damage to the vehicle; (i) all expenses incurred by dealer as a result of customer's usage of the vehicle described herein. It is further agreed that if the rates and charges are not paid when due, or if customer has breached any other provision of this agreement, or if dealer has reasonable grounds to believe the customer is going to breach any provision of the agreement, dealer may immediately retake possession of the vehicle wherever it is without cancelling its rights against the customer under this agreement.
5. Customer expressly agrees that the vehicle shall not be operated:
 - (a) By anyone without first obtaining dealer's written consent.
 - (b) By anyone under age 23 unless approved by dealer.
 - (c) By anyone who is not a qualified and licensed driver.
 - (d) By anyone whose driver's license in any state has been revoked or suspended within the previous 3 years, even if he or she now possesses a valid driver's license.
 - (e) To carry persons or property for hire, including chauffeur driven limousine service.
 - (f) To propel or tow any vehicle, trailer or other object.
 - (g) In any race, test or contest.
 - (h) For any illegal purpose or commission of a crime.
 - (i) In the instruction of an unlicensed person in the operation of the vehicle.
 - (j) If the vehicle is obtained from the dealer by fraud, deceit or misrepresentation.
 - (k) To carry persons other than in the passenger compartment of vehicle.
 - (l) If the vehicle is loaded beyond its rated capacity.
 - (m) While the driver is under the influence of alcohol or other intoxicants, drugs or narcotics, or under any other physical or mental impairment which adversely affects driver's ability to operate the vehicle.
 - (n) In such a manner as to intentionally cause damage to or loss of the vehicle.
 - (o) On other than a paved road or graded private road or driveway.
 - (p) In an unsafe, reckless, negligent, or wanton manner.
 - (q) Outside the United States, or any state other than this state or those specifically named.
6. Customer agrees that his/her valid and collectible physical damage, liability and personal injury protection insurance shall be primary. The customer agrees to defend, indemnify, and hold the dealer harmless from all claims, liabilities, and expenses for bodily injury, death, or property damage, arising out of the use, operation, or possession of the vehicle by anyone while the vehicle is being used by the customer. If the dealer is required by law to provide automobile liability or no-fault insurance coverage, the limits will be the minimum required by the financial responsibility law of the state or other jurisdiction in which the accident occurred. If the dealer is required by law to provide this coverage, the customer agrees to defend, indemnify and hold the dealer harmless from and against any loss, liability and expense in excess of the limits of insurance protection that the dealer provides.
