They're also tough, made of the **THICKEST** stock around, helping them withstand rough service department handling!

Efficiency is an absolute must within a service department to keep the technicians organized and your customers happy. Nothing is worse than misplaced keys – unless what's misplaced is a customer's vehicle!

Eliminate all that confusion and embarrassment with **Heavy Brite™** Dispatch Numbers! **HEAVY** enough to stay sturdy and attached. **BRITE** enough to be seen.

Every tag features large, highly visible numbers on **BRITE**, high contrast **HEAVY** stock that are easy to spot from across a lot or service department. Plus, every **Heavy Brite™** tag has a **HUGE** 1-1/2" diameter hanger hole that makes rearview mirror hanging a cinch!

The perforated service tag is great for all your organizational and filing needs, but also helps distinguish between service & new vehicles! The convenient key tag and customer claim check are also perforated for easy removal to help ensure the customer and their vehicle are quickly reunited.
