

Protects, Cleans & Deodorizes VEHICLES

**PUT YOUR
CUSTOMER'S
MIND AT
EASE**

**SAFE™
SHIELD**

Keeping people and vehicles clean & safe...

The **safe shield™** brand includes exceptional products that clean, sanitize, disinfect, or remove odors. With the entire US population now more mindful of germs and viruses, the **Safe Shield™** lineup is in high demand with no end in sight.

Leading the field is the **Safe Shield™** Sanitizing System which delivers the power of 99.9% pure chlorine dioxide, a proven disinfectant against viruses such as coronavirus and a host of other contagious health risks. Best of all, this environmentally safe and easy-to-use product can be applied on all interior vehicle surfaces and throughout show and waiting rooms, and any high-traffic area. Use foggers, spray guns, or

spray bottles – or directly wipe it on – for quick, safe, non-bleaching application.

A clean and pleasant environment goes beyond the removal of invisible bacteria and germs. How a showroom, waiting room, or vehicle smells is important now, too! The Safe Shield™ line-up helps automotive dealers ensure a pleasant environment everywhere with Odor Bombs and Air Freshener Pads in a wide variety of fragrances!

Depend on us, too, for cleaning and maintenance supplies, including Buffing Pads, Towels, Sponges, Scrubbers, Brushes, Spray Bottles, and more – even snow rakes and ice scrappers! We have a huge supply to help dealers and shops keep vehicles and customers safe!
